The FFA Chapters from Arcadia, Liberty-Benton and Riverdale

The Purpose of the Hancock County Agriculture Hall of Fame is to recognize and honor outstanding contributions to agriculture by Hancock County community members. Men or women who have been instrumental to the success and excellence of agriculture, either as a farmer or in an agriculturally related field, will be recognized annually. We desire to honor and give public recognition to those who have brought distinction to themselves, have made outstanding contributions to their professions, and whose community involvement has served as a stimulus to others.
